Intern For Disney Art & Design Internship In Potters Bar

Description

Are you a creative and passionate individual looking for an opportunity to showcase your artistic skills in a professional setting? If so, then look no further than the Disney Art & Design Internship in Potters Bar. This internship offers the chance to work with one of the world's most beloved entertainment companies, providing hands-on experience and invaluable industry insights.

Responsibilities

As an Art & Design Intern, you will work closely with the creative team to develop and execute projects across a variety of platforms. You may be involved in designing graphics, creating visual content, and developing marketing materials. Additionally, you may assist with photo shoots and video production, contributing to the overall visual aesthetic of the company.

Qualifications

To be considered for this internship, you must have a strong passion for art and design, and a desire to learn from experienced professionals in the industry. A background in graphic design, photography, or a related field is preferred, as is proficiency with Adobe Creative Suite software. Excellent communication and teamwork skills are also essential.

Job Benefits

As an Art & Design Intern for Disney, you will have the opportunity to work with a talented and supportive team of professionals, gaining invaluable experience in the entertainment industry. In addition, you will receive a competitive compensation package and may have the opportunity to participate in networking events and other professional development opportunities.

Contacts

To apply for this internship or to learn more about the position, please visit the Disney careers website or contact the Disney recruiting team directly. Don't miss out on this exciting opportunity to jumpstart your career in the art and design industry with one of the world's most iconic brands.
